

Make a Bible Scene of 7 Priests Blowing 7 Trumpets

What you will need:

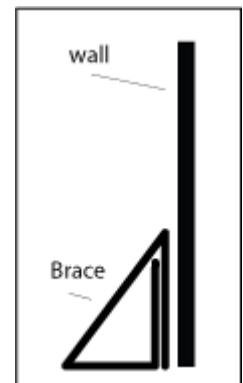

- ✓ Card Stock (Heavy Paper)
- ✓ Colored Pencils
- ✓ Scissors
- ✓ Glue or Tape

How to make the Bible scene of Jericho and the priests:

1. Print out the Jericho Wall and Sidewall Pattern and Rahab's House Pattern and the Supports Pattern and cut them out.

- **Jericho Walls and Door Pattern**
- **Jericho Side Wall and Rahab's House Pattern**
- **Wall Braces Pattern**

Sidewalls – Use the Rahab's House Pattern for the sidewalls if you are discussing Rahab and how her family was saved. (Separate Lesson). Fold back all the lines and then glue the sides together to make a hollow tube. If you aren't discussing Rahab, you can just use the sidewall patterns on the Jericho wall pattern, fold back the tab and glue them to the sides of the Jericho wall.

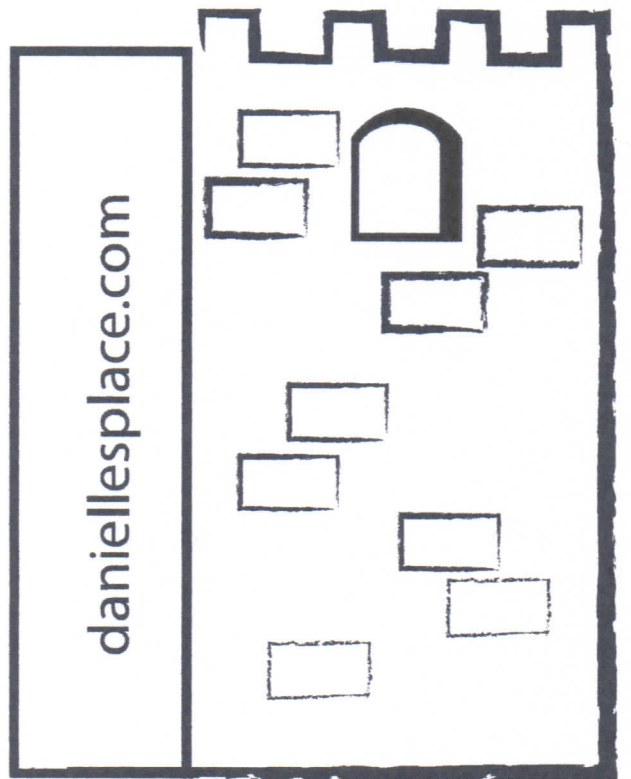

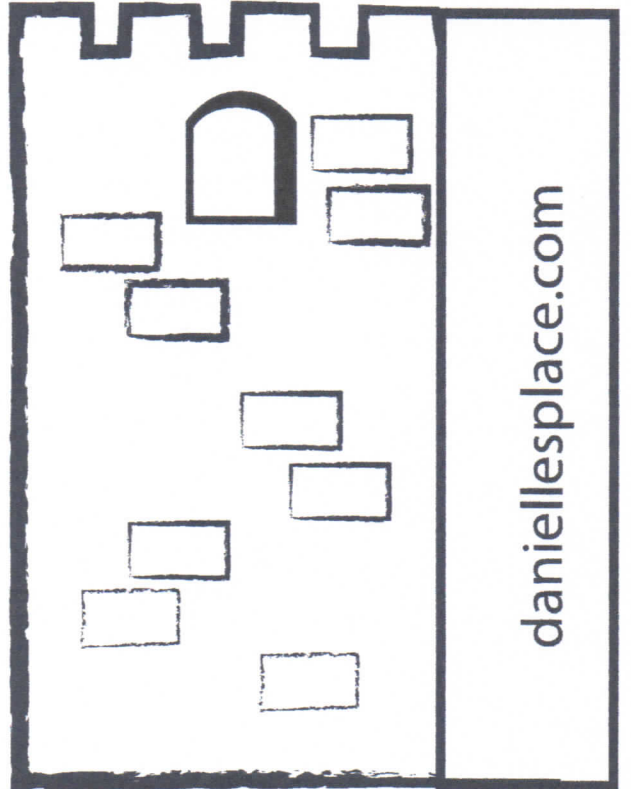

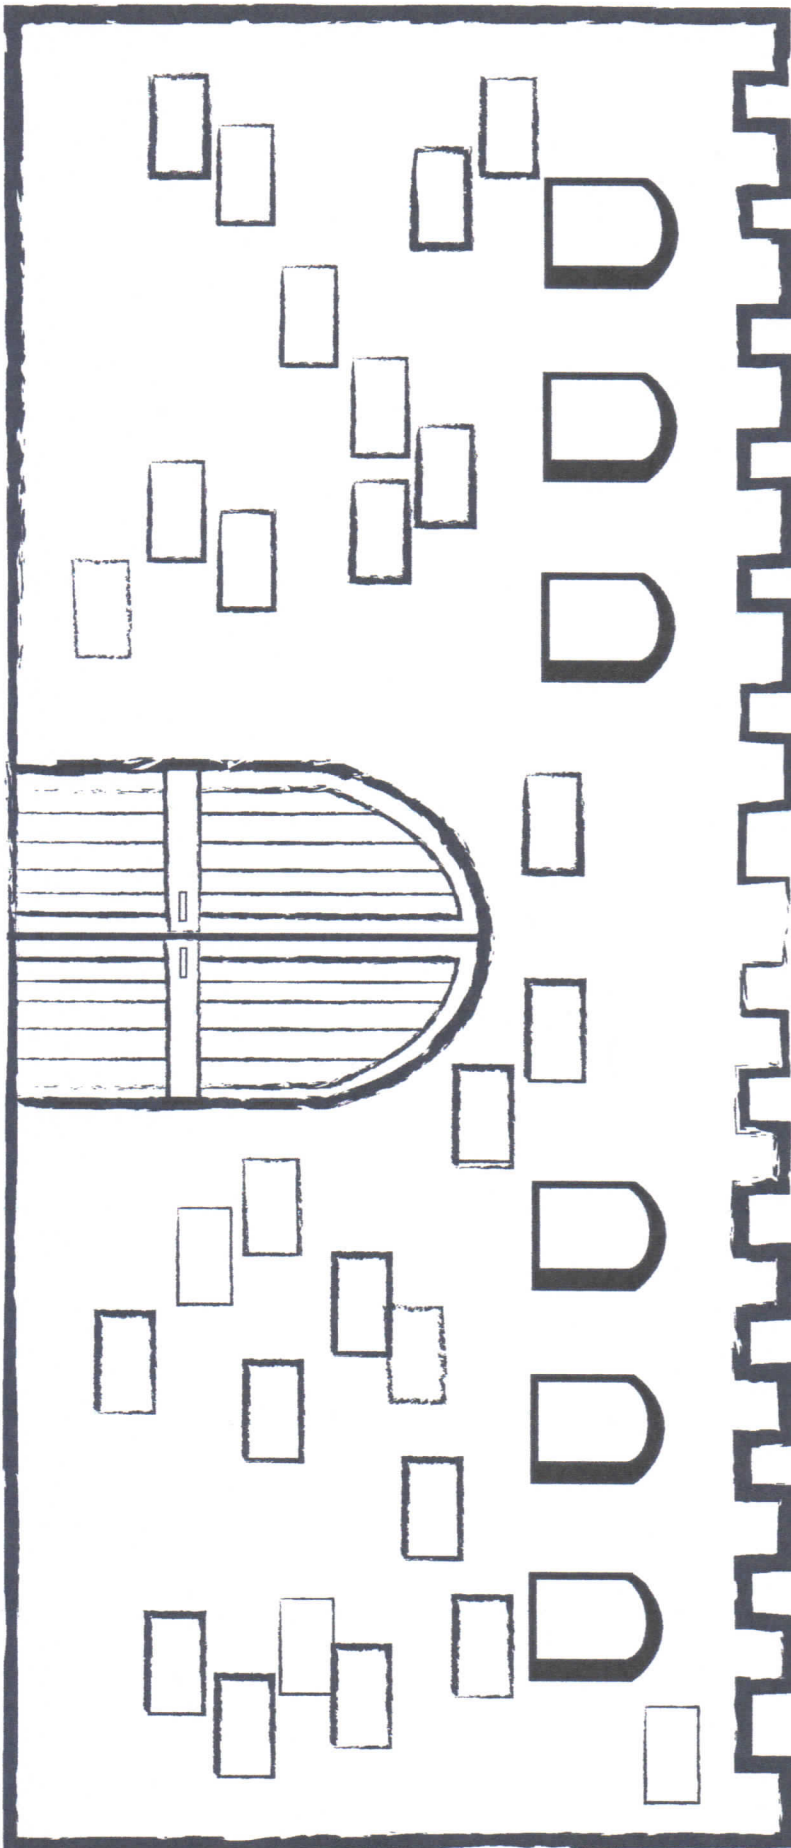

2. Cut out some of the long support strips and fold back on all the dotted lines to make triangle shapes. Glue the ends together by overlapping them. Glue the over-lapped sides to the back of the Jericho wall to help keep the wall upright.
3. Print out the Priests with Horns Pattern and Ark of the Covenant and Soldiers Patterns onto card stock and cut them out.
 - **Priests Pattern**
 - **Ark of the Covenant and Soldiers**
4. Color the pieces.
5. Fold up the bottom of the priests and soldiers to make them stand up.

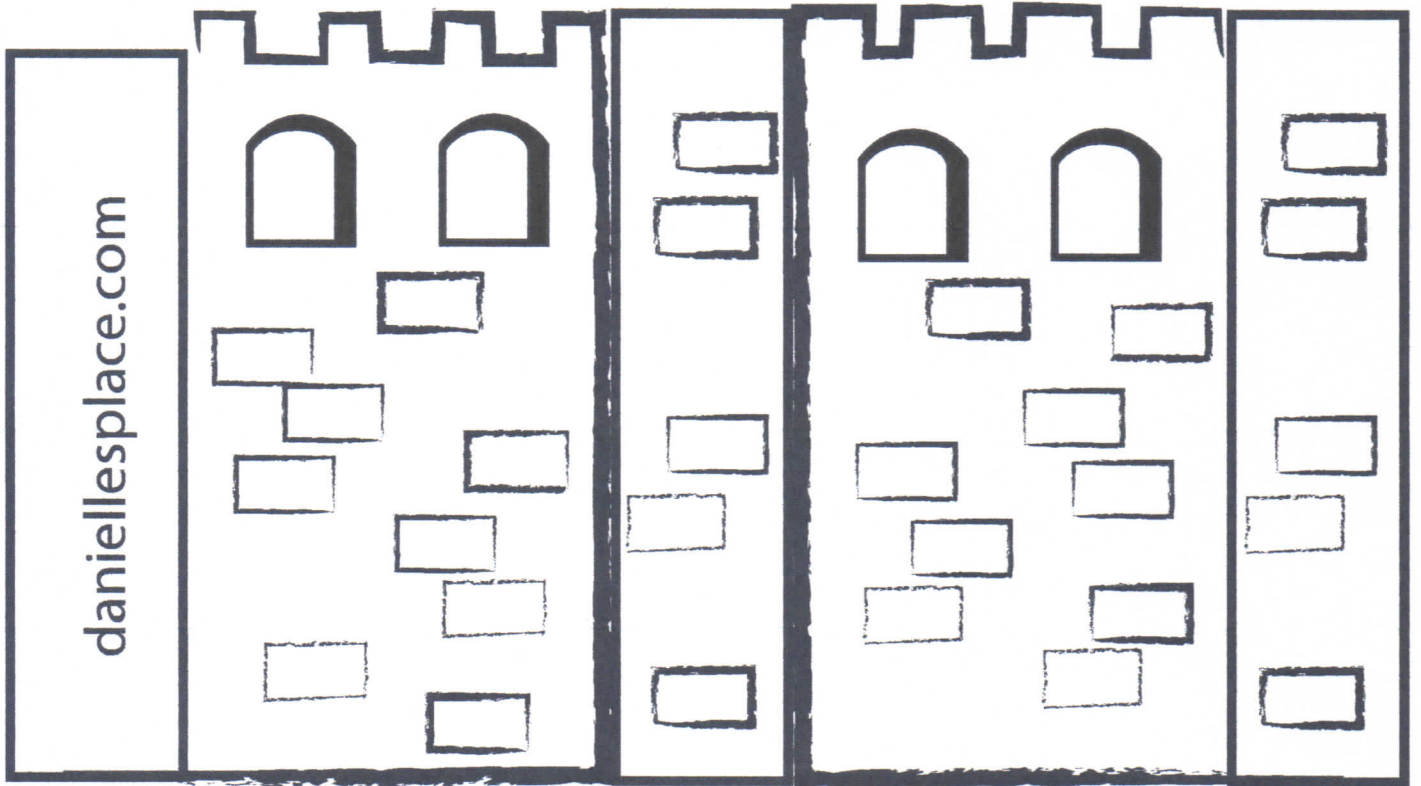

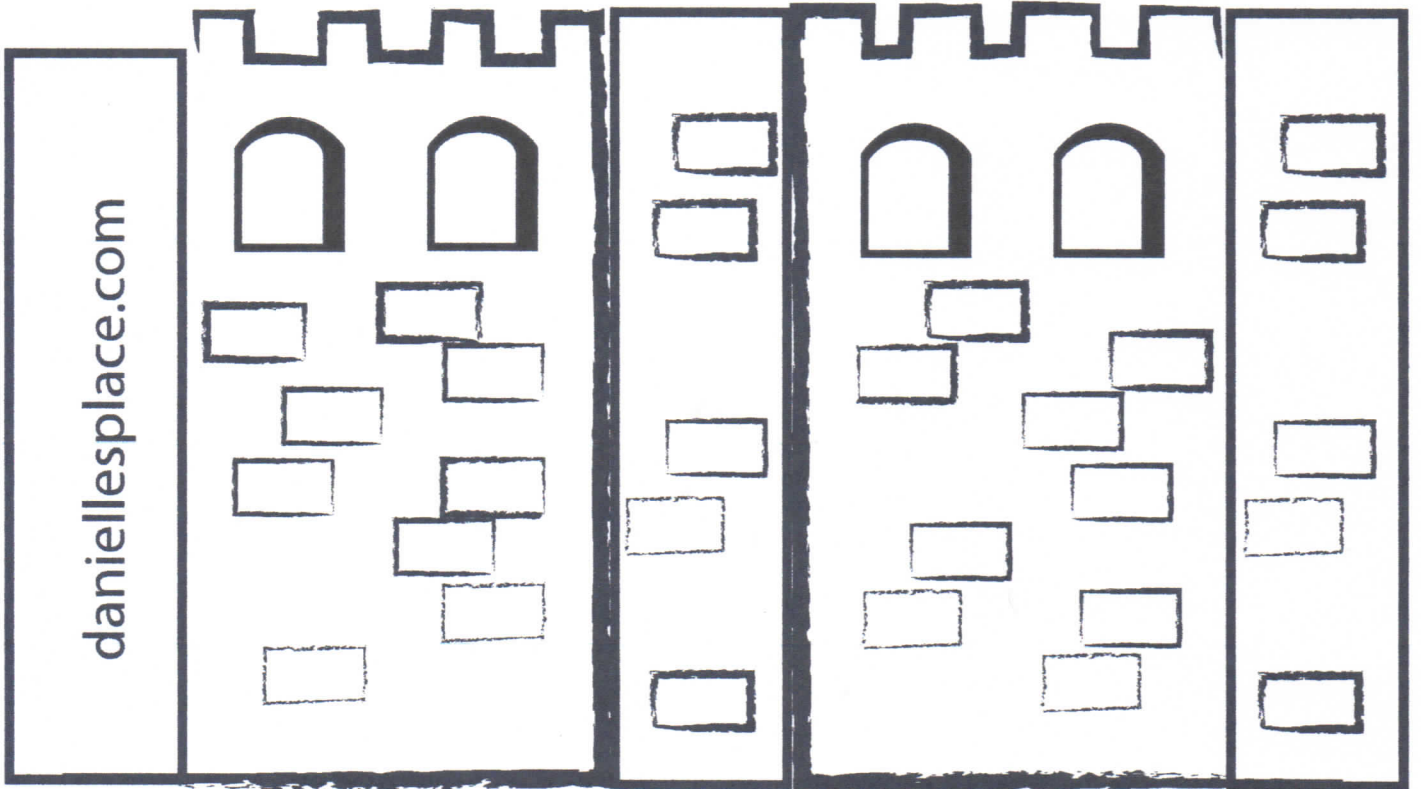

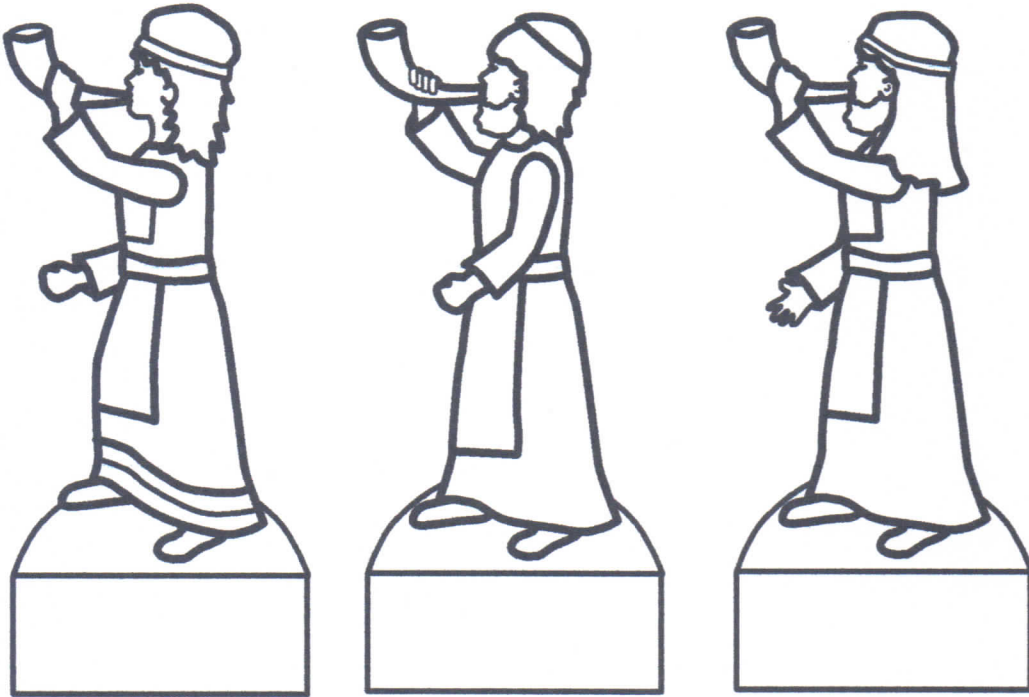

Jericho

Use these side walls or Rahab's House Pattern
