Introduction

A word from **Sam Leopold**, *Senior Director of Missions*:

At Park Cities Presbyterian Church (PCPC), we believe that we are called to connect to Christ and one another and to abide in Christ. Our hope and prayer is that this would result in us extending ourselves in love to those around us as a natural response to what Christ has first done for us.

In John 15, Jesus calls us first to abide in Him, the True Vine, but we are not to remain as fruitless branches—He has appointed us also to “go and bear fruit” (v. 16). In this agricultural metaphor, we see that we have been first called into the Kingdom of God, and this calling should result in the Gospel naturally reproducing spiritual life among us. Part of the spiritual fruit that Jesus commands us to bear is love for our neighbors (John 15:17; Luke 10:27). Scripture shows us two ways we can love our neighbors (Jeremiah 29:7):

1 **By seeking the well-being of our neighbors.** This means to work toward the flourishing of Dallas neighborhoods in the name of Christ. This effort will involve building relationships with our neighbors, demonstrating Christ’s love through our deeds, and proclaiming the Good News of the Gospel.

2 **By praying for our neighbors and interceding on their behalf.** This means to share in God’s concern for our neighbors and members of our community and to trust and pray for His coming redemption of it all.

Our hope is that this Prayer Guide will better enable you to love your neighbors and extend yourself on behalf of our city. All of the ministries mentioned in this guide covet your prayers and your support. As you pray, ask the Lord to show you how you might best spend your time and talents toward the extension of His Kingdom in Dallas.

City Missions at PCPC

Our Mission

PCPC City Missions exists to extend the transforming presence of the Kingdom of our Lord Jesus Christ in and through our congregation to the city of Dallas.

Our Philosophy

We work to encourage, equip, and engage PCPC members to serve their communities. Jeremiah 29:7 admonishes us to pursue and pray for the transforming presence of God in the city where He has sent us.

Spheres of Influence

COMMUNITY

We believe mission begins in our local communities where God has called us to love and serve our neighbors.

VOCATION

We believe our various vocations are integral to Gospel transformation and participation in the mission of extending Christ in this world.

CITY

We believe mutually transformative cross-cultural relationships enrich our view of God and His Gospel.

GLOBAL

We believe that we are part of a global body that is called to take the Gospel to every tribe, tongue, and nation.

Pray for Our City

How to Pray for Our Neighbors

Have you ever wondered how to pray for your neighbor? Use the following requests and Bible verses as a starting point:

- Pray that God would draw them to Himself (John 6:44)
- Pray that they would seek to know God (Acts 17:27)
- Pray that they would believe in the Scriptures (1 Thessalonians 2:13)
- Pray that Satan would be bound from blinding them to the Truth (Matthew 13:19; 2 Corinthians 4:4)
- Pray that the Holy Spirit would work in them (John 16:8-12)
- Pray that God would send someone to lead them to Christ (Matthew 9:37-38)
- Pray that they would believe in Christ as Savior (John 1:12, 5:24)
- Pray that they would turn from sin (Acts 17:30-31)
- Pray that they would confess Christ as Lord (Romans 10:9-10)
- Pray that they would yield all to follow Christ (2 Corinthians 5:15)
- Pray that they would take root and grow in Christ (Colossians 2:6-7)

How to Pray for a Neighborhood

In addition to praying for our neighbors, we also want to pray that the neighborhoods around our city would experience community transformation.

The following verses offer a general framework for thinking about issues of justice and oppression. They also give us insight into God's heart for the vulnerable and disadvantaged.

Look up each verse and write your observations next to the reference below:

- Deuteronomy 15:1-11
- Psalm 146
- Proverbs 14:31, 31:8-9
- Isaiah 1:16-17, 58:6-7, 12
- Jeremiah 22:3, 29:4-7
- Micah 6:8
- Zechariah 7:9-10, 8:1-8
- James 1:26-2:13

We suggest using the following nine categories as a guide as you pray for the neighborhoods around our city:

1 **Spiritual Life and the Church:** A strong neighborhood church is the most important component of community transformation. Pray that new churches would be planted and existing churches would become healthy.

2 **Public Safety:** Many in our city feel a constant threat to their sense of safety. Pray that God would provide the safety for which they long in their neighborhoods (Psalm 4:8, 12:5).

3 **Family Life:** As the primary venue where beliefs and behaviors are learned, the family is the most influential social component in life. Pray for marriages, families, single parents, and those involved in foster care.

4 **Education:** Access to education, or the lack thereof, has a direct impact on public safety and the economic growth of a community. Pray that the children in our city would enjoy the benefits that come from an education.

5 **Health:** Physical well-being is a vital component of community health and transformation. Pray that our neighbors around the city would have access to health care.

6 **Housing and Neighborhood Revitalization:** Stable and quality housing is a luxury that not all of our neighbors enjoy. Pray against landlords that force our neighbors into a transient lifestyle. Pray for community life and neighborhood revitalization.

7 **Economic Development:** Unemployment and underemployment create barriers to financial self-sufficiency. Pray that more jobs would come to Dallas and that people would receive the skills they need to be job ready.

8 **Community Involvement and Leadership Development:** Leaders in communities around our city need to be identified, encouraged, trained, and educated so that the next generation would be equipped and committed to the work of community transformation. Pray for these young leaders.

9 **Arts and Entertainment:** Exposure to the arts in distressed neighborhoods provides opportunity and hope. Pray that access to the arts would result in a flood of benefits for our neighbors.

Pray to the Prince of Peace
After reflecting on the needs of our city, let us reflect on the only Savior of our city. Jesus, the Prince of Shalom, is the only hope for redemption, restoration, and the rebuilding of our city.

Read the following verses and meditate on the person of Christ:

- Isaiah 9:6-7
- Isaiah 42:1-4
- Luke 4:16-19
