# 3 Types of Crates

*Pack these crates with love, knowing that these supplies are desperately needed by our brothers & sisters in Christ.*

## #1. Basic Care

The **Basic Care** crate contains supplies that will help church members, families, and individuals (many of whom are displaced within the country) with their basic needs during a time of crisis and chaos. It includes things like toothbrushes, water filters, body wipes, etc.\*

## #2. Basic Meds

The **Basic Meds** crate contains supplies that will go to our partnering churches that are setting up their own supply hubs for distribution within the country. It includes things like ibuprofen, baby powder, Claritin, Vitamin D, etc.\*

## #3. Basic Wound Care

The **Basic Wound Care** crate contains supplies that will go to both churches and key medical facilities where our national partners have contacts that are working with us. The supplies include alcohol wipes, bandages, first aid kits, etc.\*

**\*Detailed Supply lists for each crate are attached to this email in the PDF Supply Lists. Instructions for Packing & Labeling will be sent to you after you have signed up to help.**
